

30W PENDANT SPEAKER

MC-PSP-330T

Rated Power 30W (100V / 70V line, 8 Ohm)	Frequency Response 70 Hz - 20 kHz
Weight 2.1 kg	Dimensions Dia. 185 x 250(H) mm

Description & Key Features

The MC-PSP-330T is a professional 5-inch pendant speaker designed for stylish ceiling suspension in spaces where architectural aesthetics are important. It delivers high-fidelity audio from a two-way driver system with a 5-inch bass unit and balanced-dome tweeter. With 100V, 70V and 8-ohm operating options, it provides flexible integration into background music and paging systems.

FEATURES

- Stylish pendant design inspired by lighting fixtures.
- Suitable for background music and announcements with clear sound quality.
- Integrated 5-metre suspension cable for high-ceiling installation.
- Supports 100V, 70V and 8-ohm operation.
- Two-way design with 5-inch bass driver and balanced-dome tweeter.
- Bass-reflex HIPS resin cabinet for improved low-frequency response.
