

MULTI-ROOM WIFI AUDIO SYSTEM

MC-WAS-AM260 PRO

Professional Product Overview

The MC-WAS-AM260 PRO is a compact 2 x 60W Wi-Fi and Bluetooth amplifier for multi-room audio systems. It converts passive speakers into connected wireless speakers with USB, AUX, optical and HDMI ARC inputs.

2 x 60W

Stereo output

Wi-Fi / BT

Wireless streaming

HDMI ARC

AV connectivity

24V DC

Power input

Compact 2 x 60W multi-room Wi-Fi amplifier for connected home and commercial audio

Description & Key Features

The MC-WAS-AM260 PRO is a compact 2 x 60W amplifier with Wi-Fi, Bluetooth, USB and AUX inputs. It is designed to turn traditional passive speakers into multi-functional wireless speakers.

With HDMI ARC, optical input, LAN, AirPlay, DLNA, internet radio, online music services and app management, it provides a flexible audio platform for homes, hospitality areas and commercial spaces.

01 Wireless streaming

Allows music streaming via Wi-Fi or Bluetooth.

02 Stereo speaker output

2 x 60W stereo speaker outputs for passive speakers.

03 Rich audio inputs

USB reader, HDMI ARC, optical and AUX input.

04 Online music support

Supports online music, internet radio, AirPlay2 and DLNA.

05 App management

Convenient music management by iAudioCloud app.

06 Multi-room playback

Supports multi-room audio and stereo pair functions.

07 LAN networking

RJ45 network port supports stable wired connection.

08 Subwoofer output

Dedicated subwoofer output and line output for expansion.

09 Remote control

Infrared remote provides convenient local operation.

10 Rack option

Optional 1U rack mount ear for professional installation.

11 Commercial use

Suitable for home audio, multi-room systems and commercial audio.

12 Compact chassis

Small amplifier body supports flexible equipment placement.

Technical Specifications

System Specifications

Parameter	Specification
Model	MC-WAS-AM260 PRO
Description	Wi-Fi and Bluetooth amplifier
Type	Wi-Fi & Bluetooth amplifier
Application	Home audio, multi-room systems, commercial audio
Output Power	60W x 2 @ 4 Ohm; 30W x 2 @ 8 Ohm
Signal-to-Noise Ratio	92dB
Power Input	24V DC adapter
Line Input Sensitivity	1V
Network	Wi-Fi, LAN and Bluetooth

Audio Inputs & Outputs

Parameter	Specification
Audio Inputs	Bluetooth, USB, AUX, optical and HDMI
Audio Outputs	Subwoofer output and line output
Streaming Services	Spotify, YouTube Music, vTuner, TuneIn, Qobuz and TIDAL

Control, Event & Physical Data

Control & System Features

Parameter	Specification
Control Options	Remote control and iAudioCloud app management
Installation Features	Optional 1U rack-mount ears and 4-pin terminal block

Environment & Physical

Parameter	Specification
Operation Temperature	Not specified in source datasheet
Mounting	Desktop or optional 1U rack mount
Dimensions	185 x 250mm
Weight	3.7kg
Connectivity	LAN, HDMI, optical, USB, AUX, line out and sub out
